Width	50 cm	50 cm	55 cm
Operating weight	89 kg	98 kg	125 kg
Engine	Honda GX160	Hatz 1B20	Hatz 1B20
Power output	4 kW	3,4 kW	3,4 kW
Travel speed	32 m/min	32 m/min	31 m/min

### T19

The **SAMAC** T19 is an all-rounder par excellence that will satisfy even the most demanding paviour with a variety of jobs. It is multifunctional, suitable both for compaction jobs and for interlocking paving stones. This machine combines good manoeuvrability with powerful compaction.

The frameless and consequently compact T19 has a centrifugal force of 19kN. This machine is available with either a Honda petrol engine, or a Hatz diesel engine.

**It is also low maintenance which makes it very economical.**

It can be supplied in the colours of your choice. Different sized base plates are available within three weeks.

**SAMAC: the way to go.**
